Student Reviews

"The co

"VERY UNCLEAR GRADING CRITERIA. Professor and his TAs consistently deducts 1-2 points from your final grade for requirements that were never listed in assignment sheet."

"Grading felt too harsh. In our second project, we showed three data points in a table but lost 2 marks for no graph."

"The professor creates a grading system that pits students against each other. This discourages collaboration."

"The project lacks clear grading standards and offers little research value."
